## Broken roads need investigating

The Victorian Farmers Federation (VFF) is calling on the Victorian Parliament to launch a public inquiry into the condition of regional roads.

had reached crisis point with the cost to agriculture and country communities continuing to build.

“Any inquiry that can help to find solutions to the impasse over roads funding would be welcome by regional Victorians who are dodging potholes every time they get behind the wheel,” she said.

“The failure to invest in regional road maintenance in this year’s state budget must be scrutinised and the parliament must do its job and hold the government to account.

“The costs associated with our broken roads are not only mounting on government but individuals, families and their businesses.

“Worse still, our broken roads are a risk to people’s safety.

“Our political leaders have the opportunity to demonstrate their commitment to regional Victoria by supporting the creation of an inquiry,” Ms Germano said.

# Medico goes from sea change to tree change

The recent cold snap gave Corryong's newest doctor pause for thought about the move from the Sunshine Coast to the Upper Murray but he says the advantages outweigh the disadvantages.

Dr Tyson Pardon graduated from Griffith University in 2018 and has chosen Corryong Health as an introduction to General Practice (GP).

His particular interests include rural and remote medicine, emergency and anaesthetics.

"I was looking for a rural lifestyle to undertake my GP training and as luck had it, I met someone from Corryong on the Sunshine Coast and they told me about Corryong Health," he said.

After visiting the region in November last year, Dr Pardon made the big move with his family - partner Claire and their three children Harvey (6), Adelle (4) and Luca (10 months).

"We like the outdoors, especially hiking and fishing and we're also looking forward to taking the kids to the snow this year," he said.

"The scenery here is so different and really colourful at this time of year but best of all, the people are so friendly.

"I'm really enjoying working at Corryong Health and I think it provides an above average service.

"It is certainly a great community asset."

# Slip on the silly socks for a serious change

The committee of the Corryong Kindergarten is challenging the community to get involved with 'Silly Sock Day'.

They are challenging you to wear your silliest socks on Friday June 16th for everyone to see whether you are at work, at school, down the street or in the paddock.

If you only own plain old socks don't worry. The Corryong Kinder Parents and Friends Committee is selling Silly Socks at local businesses around town for just \$6 a pair.

There are various sizes from small children to extra-large men, so next time you are getting a coffee, buying some

vegies or checking out the latest fashion, pop a pair of silly socks into your basket.

Roll up your trousers and pull up your socks to help support the children

of Corryong Kindergarten to develop important skills they need to grow and develop through play-based learning, just by getting involved in a little silliness.

Hudson Daly (left) and Hadley Stockwell sport some of the colourful socks.

## THE GRAPEVINE

Club Corner:- The jackpot at The Club Corryong this Friday is \$2100. Last week's winner was Daryl Matheson (\$10). The end of month winner was Kim Whitehead.

The death occurred on May 22nd, 2023 of former Corryong resident Marie Draper at Westmont Homestead, Baranduda at the age of 90 years. She was the wife of Joe Draper (dec.) and is survived by her children Ian, Jenny, Stephen and Ross and their families.

The 'Biggest Morning Tea' at Khancoban, hosted by Ruth Walker, raised \$1700 for the Cancer Council. Thanks to everyone who supported the event.

HELP SHAPE THE NEW DESIGN!

Do you have some great ideas for the new skate park design in Corryong?

We've brought world-renowned skate park designer Convic onboard to design the Corryong Skate Park.

We're now seeking a group of passionate and well-informed community members to help shape the project.

If you have an interest in joining the project reference group, please complete an online expression of interest form at [tinyurl.com/corryongskateparkEOI](http://tinyurl.com/corryongskateparkEOI)

# New garden at cemetery

The Cudgewa Cemetery now has a designated area where people's ashes can be interred.

The new Memorial Garden is now available for families to place their loved ones ashes at the cemetery.

The space also provides a place for people to reflect even if the ashes of a family member have been spread elsewhere.

In related news, the Cudgewa Cemetery Trust now has a policy of no glass, ceramic and plantings on or around

graves. "We thank the community for their support and understanding in this matter," said secretary, Faye Land. For further enquiries contact Faye on 0439 974 380.

Local electrical contractor, John Collins (left) installed a new feature light at the Corryong Memorial Hall this week with the assistance of Gary Barker (right) and Ross Collins.

# Farmers warned of new land tax

The Victorian Farmers Federation (VFF) told a recent Victorian Parliament inquiry that using land tax to replace stamp duty on property sales is not a viable option.

Speaking to the Legislative Council and Infrastructure Committee's Inquiry into Land Transfer Duty, VFF President Emma Germano said a move to abolish stamp duty should not lead to the imposition of land tax on farm properties.

"Victoria's farming community has very deep reservations about any move to replace stamp duty with a broad-based land tax that would include land

tax for primary production land," she said.

"You have read in other submissions put before the inquiry and from representatives from other organisations, that stamp duty should be replaced with a broad-based annual land tax.

"These submissions have however totally ignored the impact that a land tax would have on Victorian agriculture.

"The dependence that agriculture has on land, means that any form of taxation on that land, disproportionately impacts farm businesses, compared to any other business. This is best demonstrated through the inequities

created by Victoria's local government rating system."

Ms Germano said any discussion on abolishing stamp duty should focus on replacing it through an expanded GST.

"We have now operated under the GST for more than 20 years and it is time that work is done to ensure it is doing everything that it should, including the original idea to abolish stamp duty," she said.

Ms Germano also spoke to the difficulty that young farmers faced in purchasing property and called for an increase in the thresholds for the young farmers stamp duty exemption and concession.

"These exemptions and concessions were something that the VFF had previously fought hard for and were originally introduced by the Baillieu Government, and we are glad to see the Andrews Government continue these arrangements."

"While the scheme was expanded modestly in 2018, the boom in agricultural land values across the state over the last few years means the thresholds have now become too low to be meaningful to young farmers who are trying to enter the market today. The VFF supports a revision to these thresholds to make them more realistic."

## TEE TO GREEN

### Welaregang

The club continued its long association - more than 50 years - supporting Legacy with another great day of golf on Sunday.

Thirty-five dedicated players hit off in cold and damp conditions, with a sausage sizzle and cups of soup awaiting at the half way point, after which everyone decided to complete the 18 hole ambrose despite the drizzling rain.

Players travelled from Adelong, Tumbarumba and Corryong but the team from Khancoban - Jimmy and Cody He with Ron Aarons - performed best in the conditions carding a nett score of 57.7.

### Runners-up

were Shane Bannon, Pat Kamba and Ethan Low (58.1). Michael, Jake and Joe Hardwick from Adelong took third place with 59.4. The team of Richard and Joy Bennetts and Cheryl Smedley finished fourth (61.2).

The longest drives went to Jake Hardwick and Lizzy Plunkett. Nearest the pin was Michael Hardwick. Cheryl Smedley and Ken Lebner won nearest the string.

It was another day well catered for thanks to Dixie Coutts' work behind the scenes in bringing it all together as well providing produce for some of the novelty prizes. Thanks

also to Amy, Bloss and the Legacy guys on the BBQ.

Golf is on every Sunday with names in by 11.30am for a 12 noon hit-off. Visitors are welcome to join in the weekly competitions.

### Corryong

The installation of the new synthetic greens is almost complete and many golfers have been testing them out with some chipping and putting and the feedback has been very positive.

Landscaping around the greens has been undertaken and an Opening Day event will be announced once this has taken.

With many of our regular girls out, nerves were high as we went into a thrilling game against Tumberumba with our girls securing a win. Pressure was fierce in our defence from Rachel and Sarah, locking down their attack and securing intercepts to assist in winning the game.

Reagan and Mabel stepped up from their full game in Under 15s to help out. Reagan and Mabel applied hard pressure on the ball, shutting down their players. Even our wonderful Shei, having a run out of her comfort zone in centre, and smashed

it! All-rounder Abi had a run in both defense and attacking positions, providing key confidence and drive through our mid court.

Gun Brenda was back for a game and there was no stopping her intercepts as she was hungry for the ball!

Sara and Erin worked hard in the attacking end against some excellent defense but there was no stopping their accuracy securing our girls a win. Despite down so many of our regulars, the girls pulled together a great game.

The 82nd Anglican Parish of Corryong Debutante Ball was recently held at the Corryong Memorial Hall with around 400 family and friends attending the celebration. The theme for the Ball was 'Country Goes Formal'.

In October 2022, Anglican minister, Reverend Maryann Leonard, jokingly asked dance trainer Margaret McVilly Sanders from Broadford if she would like to train the debutantes. To her surprise Margaret said yes and she and her two colleagues, Sharon and Neil, took time off work for an intensive training program.

The trainers set up 'camp' at the Parish Hall for 14 days to teach the debs six dances. However, a few days in, Neil unfortunately came off his motorbike at Farrans Lookout and sustained critical injuries. He is recovering slowly in rehab and was very upset he was not able to teach the debs but he is determined to be here in 2024.

"Bishop Clarence and his wife Michelle were in Corryong for three days before receiving the debutante set and stayed for another two days as part

of the Bishop's pastoral visit," said Rev Maryann.

"Thank you to Mrs Frances Fleming for her dedication for creating the exquisite blooms which incorporated the theme. Her efforts and Chris's are appreciated.

"Food was provided by Upper Murray Pizza Cafe and the Corryong Football Netball Club are to be thanked for their availability to serve refreshments." The Event Team consisted of four dedicated and hardworking people - Janet Nicholas, Nadia Edwards, John Leonard and Rev'd Maryann Leonard.

"I would like to personally thank my other team members," Rev Maryann said.

"Each person drew on their skills and expertise to bring it all together.

" We would also like to thank Josie Miller, Leonie Wilson, Party Oz Entertainment, Darcy Bly and Gail Spink for their contributions."

Names of interested debutantes are being taken for 2024 - email Rev Maryann on parishpriestcorryong@gmail.com.

**Football Seniors**

We had another good win over Bullioh, getting off to a great start kicking eight goals straight in the first quarter.

Darcy McKimmie continued his great form in the midfield and got some good help from skipper Mitch Pynappels. The big fella Jayden Pryse was very good throughout the day in the ruck and Dayne Carey had his best game for the year and showed his class with a move into the midfield. Great to get another win on the board!

Award winners: Darcy McKimmie, Dayne Carey, Mitch Pynappels, Jayden Pryse, Trent Logue.

**Under 14s**

It was a great win from a very undermanned side on the weekend against Bullioh. With eight of our bigger kids unavailable, it was up to a swag of Under 12s to make up the numbers and they didn't

disappoint.

Mackinley Klippel used his lightning speed to run rings around the Bullioh defence and finished with three goals.

Moose Bloom and Beau Mulligan were our only top aged players and they were both outstanding. Beau was dominant in the ruck and Moose swooped on every ball, driving it forward at every opportunity. He also managed to kick two great goals.

Monty Whiteley played a key role lining up at full back. His desperation on the last line of defence was amazing. A couple of great smothers earned him play of the day.

Declan Faithful and Ryder Pierce were great contributors throughout the game, racking up possessions and showing the opposition how its done.

An awesome team performance, well done Blues.

**Netball A Grade**

over Bullioh. The girls remained disciplined and put together a strong four quarter effort.

Taylor Pineappels played a great game taking the mug home this week while having Meggo Nankervis back on the court gave the girls a lift. Shon Green and Joey Beirs yet again put on another great performance. Pip Brown and Kirby Hillier gelled beautifully in the ring being a new combination to the squad. Courtney Simpson and Kerstin Jarvis blitzed in the defensive end once again.

A high intensity and standard by the Cudgey girls this week!

Awards: Meg Nankervis and Courtney Simpson.

**B Grade**

The girls pulled away with a win in the end in a high pressure game.

The likes of Ashley Bartel being a handy in for the squad this week controlled the mid court alongside Ellie Ross and Jaz Cane. Jaz has stepped up from C grade and is playing her role absolutely beautifully. Jaz takes on feedback and is such a coachable young girl.

Lily Fair dominated in the shooting end, displaying another great performance along with Pip Brown and Jorja McInness. Charlotte Star was outstanding in the defensive end with Chloe Mitchel equally performing and playing her role.

The girls knew it was going to be a tough game and playing against Bullioh's experienced heads, it was fantastic to come away with a win.

Awards: Charlotte Star, Jaz Cane and Ellie Ross.

**C Grade**

The girls played their best game yet. We finally started to relax into the game and play it how we wanted to.

We were winning the first half this week but as the game went on Bullioh pulled together and won it.

I applaud Gemma McNamara for stepping up from under 15s and giving it her all. She shot many

goals playing in GA for the entire game. Julianne Reiners helped her a lot with her strong voice, directing Gemma to where she needed to be - a very good shooting team these two are.

Tayla Pierce, Karly McVean and Jasmine Cane did amazingly, holding up a strong defensive end this week.

Georgie Butler did a great job running in centre this week which was outside of her comfort zone but she smashed it. Mae Mouat also did well in our WD position as she plays beautifully.

A huge shout out to Eliza Chique who stepped up last minute and played well in centre and WA for most of the game.

**D Grade**

The team got off to a shaky start against a firing Bullioh team. The girls showed great tenacity, listened well to stand-in coach Tash, and started to get their mojo back in the second half.

Fantastic efforts by first time defender Pippa along with Chloe Saxon and Ruby-Jean Klippel to stem the tide. Midfield fought hard all day with Marlie, Hayley and Charlotte keeping their wits. The shooters had to fight hard for every goal but were up to the task by the final bell. Great efforts from Taylor, Quinn and Gemma. A hard fought win, well deserved.

Awards: Ruby-Jean Klippel and Hayley Drew.

**Under 11s**

It was a slow start to the game this week, taking until half time, where the girls did shine, again showing determination and taking on the reminders at half time of what we have been focusing on, drills they have learned and they were able to put them into play.

With almost a full team available, many changes were made which did have an impact but the girls adjusted quite well to their new positions for this round. Overall, the girls did a great job and ended up coming away with a 10-7 win. Awards: Olivia Nagy and Pippa Faithful.

## Roos hit their straps

There it is! The Sherrin slips out of the grasp of Bullioh's Tobias Gilmour.

Tumbarumba burst out of its early season malaise to get its premiership defence up and running with a 122-point mauling of Corryong on the weekend.

The Roos were on song from the first siren and had the game sewn up by half time but they kept the foot on the pedal to restrict Corryong to six goals.

Key forward, Dan Hitchens, found form and was instrumental in the win with eight goals while Todd Bennett provided support with five majors.

The Demons' more prominent players were Tom Saunders, Ryan Murray and Koonlarton Emerson.

Cudgewa quashed any claims Bullioh had of a victory by booting eight goals straight in the first term although the Bulldogs regathered to break even in the middle stages of the match.

The absence of

sharpshooter, Nick Brockley, was hardly noticed as coach Drew Cameron returned from injury to post seven goals in the 54-point win.

The Blues dominated between the arcs as Darcy McKimmie, Mitch Pynappels and Jake Hill racked up possessions to feed their forwards while the defence kept a lid on the Dogs' main attacker, Mackinley Haley-O'Neill, who managed just the one major.

**This week**

Cudgewa does battle with Corryong and could amass a huge score if the Demons don't lift after a dusting by Tumbarumba in their latest outing.

The Blues have a talent-laden attack which will stretch the opposition's defence to the limit but the Dees will be asked for a four quarter effort to honour club stalwart, Evan Nicholas, who plays his 300th senior match.

Much interest will lie in the Bullioh v Tumbarumba clash as the evenly matched opponents vie for second place on the ladder and the coveted double chance come finals time.

The real Roos stepped out last week and that form should see them get the points despite the Dogs being at home.
