Street works reach next stage

Work on the Corryong streetscape project resumed this week with reconstruction of the pavement on the southern side of Hanson Street. Phase 1 of the project is nearing completion with verandah posts being replaced this week.

Recovery hub has done its job

The Towong Shire Council will hold a community celebration to recognise the vital role it has played in the recovery

from the 2019-20 Black Summer bushfires.

After three and a half years, the funding to support the hub's

operations will cease on June and the facility will close.

"The hub, located at the former junior school

campus in Corryong, has played a significant role in response to the recovery and the building of community resilience after the bushfires," said Towong mayor, Cr Andrew Whitehead.

"It housed many key government and community agencies in the immediate aftermath of the fire event co-ordinating responses, service needs, and place for community members to gather and be

supported. "Since the initial response period, the hub has been the place where ongoing specific services have been provided such as counselling, financial advice, employment, business development and community meetings.

"A range of community programs, projects, workshops and events have been co-ordinated from the hub in that time."

WINTER CLOSING TIME

Customers please note that we will be closing at 5pm on weekdays during the winter months

Recovery effort recognised

Cr David Wortmann (right) with members of the recovery team and its first director Amanda Pagan (second from left) in May 2020.

Cont. from page 1.
“The work of the recovery team and the eleven Community Recovery Committees in the district, demonstrates that the community resilience is strong and various community organisations and community leaders have ensured that the Upper Murray communities are well connected and resourced to support each other,” Cr Whitehead said.

“As we move towards its closure at the end of the month I’m looking forward to coming together to celebrate the strengths and the achievements of the community,”
“However, before then I wanted to take the opportunity to remind our community that the closure of the building does not mean the end of recovery actions. All ongoing recovery actions will be managed by council’s Emergency Management unit as part of its normal business operations.

“To celebrate the resilience and strength of the Upper Murray community, we will be holding a special Celebration of Recovery Community event for the stakeholders associated with the recovery effort to come together to mark their achievements.”
The celebration will be held on the afternoon of Sunday 28 July at the Corryong Event Centre (more details will be released closer to the date).
Cr Whitehead added

that the future of the recovery hub building is being considered by council in conjunction with the Department of Education.
“There are a number of options being assessed with all having a focus on community access and services,” he said.
“As these plans continue to develop we will be in a position to provide more details but until then I encourage you to save the date for the community celebration!”

Church centenary is approaching

The community is invited to a service at 11am on Sunday July 14th to commemorate the centenary of the Cudgewa Holy Trinity Anglican Church.

The service will be officiated by Bishop

Clarence Bester from the Wangaratta Diocese and followed by a luncheon at the Cudgewa Hall.

If people have photos of weddings, baptisms or funerals performed at Holy Trinity the organisers would love to have

digital copies forwarded to Charlotte Star at cestar1335@gmail.com for display on the day.

For catering purposes RSVP by Wednesday 10th July to Faye Land on 0439 974 380 or email land1199@bigpond.com.

Survey connects the dots

Rural, regional, and remote Australians have another way to give feedback on telecommunications issues with the release of the first ever Regional Telecommunications Review survey.

The review, which will take place every three years, examines the experiences of people in regional, rural and remote

parts of Australia with telecommunications delivery.

Submissions and face-to-face consultations to date have provided feedback on a range of matters including the suitability of communications during emergency situations, how emerging technologies could improve connectivity and ways to support regional develop-

ment.
There are two other options for people to have their say - attending a face-to-face consultation in various towns or providing a submission via the website.

The online survey closes on 31 July, 2024.

Centre provides all the comforts with less distractions

The Country Universities Centre (CUC) Ovens Murray in Corryong is celebrating its highest ever number of registered students with 31 people currently using the facility with more than 120 visits by them last month.

Located at Towong's Innovation Centre in Boundary Street, the centre is federally funded to support local higher education students.

It is a free study hub, with one-on-one dedicated support, high speed internet, printing and the opportunity to form study groups with other students.

Karen Hemsley (pictured) has been studying a Certificate IV in Training and Assessment to develop skills in training lifeguards and running the local pool.

"The CUC makes me motivated to study," she said.

"I find I get a lot of more work done here, compared to home. I have no distractions, a quiet place and all the support and technology to complete my qualifications."

Corryong local, Holly Butler, is completing a Bachelor of Education (K-12) at Wagga Wagga. She returns to her home town on weekends and recently used the CUC to study and sit her exams.

"I find the CUC an extremely helpful place where I can go to study and sit exams using dual screens, wi-fi and warm spaces when I am home and need a quiet place," Holly said.

The centre is open seven days a week from 5am to midnight and staffed four days a week by Celeste Oliver (Learning Skills Advisor) and Vicki Kane (Education Co-ordinator).

"We've had a wide range of students register through institutions that provide learn-at-your-own-pace and highly flexible study options to fit around day-to-day life," Vicki explained.

"There is no longer the need to wait for the new year to start a course!"

Safety breaches spike

During the 2024 duck season, the Game Management Authority (GMA) conducted 511 waterway and wetland patrols on private and public land across Victoria.

The GMA worked in partnership with Victoria Police, DEECA, Safe Transport Victoria, New South Wales Department of Primary Industries and Parks Victoria to regulate the 2024 duck season.

Authorised Officers checked more than 1,550 Game Licences and inspected more than 1,200 hunter bags.

A total of 56 breaches were detected throughout the 2024 duck season. GMA will issue 22 infringement notices and is conducting 32 investigations related to these matters.

There were 26 hunting related offences detected, with the main themes being an invalid game licence, being in

possession of toxic shot and failing to leave a wing attached.

Another 23 people were suspected of breaching public safety laws by entering or remaining in a specified hunting area or hindering or harassing hunters. As a result, the GMA issued 22 Banning Notices.

GMA CEO, Graeme Ford, said the majority of people involved in the 2024 duck season acted safely and responsibly.

"While some people breached game hunting and public safety laws, most of the people our Authorised Officers spoke with were complying with the law."

However, there was an increase in the number of suspected breaches to public safety laws detected over the 2024 Season.

"Public safety laws are in place to provide a safe environment for all land users," Mr Ford said.

Projects focus on making farms safe

Kids learn about rural safety

An series of emergency related workshops will be held in Corryong next week to educate students on how to safely look after themselves and others who live in remote and rural areas.

The workshops will be run by local emergency service groups and hosted by Sacred Heart Public School.

They are designed for Grade 5/6 students to learn and gain new skills around being safe on the farm, recognising dangers and acting on emergency situations as they are presented.

Workshops will be presented by local emergency service organisations where students will get a chance to learn first-hand about emergency situations that could arise on the farm or living in remote areas.

Students will be encouraged to participate through both theory and practical demonstrations.

The workshops have been created based on advice from residents following the 2023 North East Emergency Expo in Corryong last October, which was organised by

the North East Emergency Action Group Inc (NEEAG).

Funds raised from the event were earmarked for an emergency related project, with local groups being the educators.

The workshops will be held on Friday 21st June at Sacred Heart Primary School from 9:30am to 11:10am.

Farm funding extended

The Victorian Farmers Federation's 'Making our Farms Safer' project (VFF MOFS) will continue to run until 2025 after receiving a \$600,000 grant from the Victorian government.

VFF Vice-President, Danyel Cucinotta, welcomed the extension and said the project, which launched in April 2020, will continue to help shift the dial towards zero on-farm deaths and injuries.

"The safety project has been a vital and trusted resource for the farming community since 2020 and the team will hit the ground running to help reduce the overrepresentation of the agriculture industry in workplace deaths and injury," she said.

FOCUS PARTNERS - OUR FOCUS IS YOUR FUTURE

Good night's sleep saves lives

The new hard-hitting road safety campaign targeting drowsy drivers is backed by research showing drivers are four times more likely to crash if they've had less than five hours' sleep.

The campaign 'Driving tired? Wake up to yourself', recently launched by the Victorian government and Transport Accident Commission (TAC), warns drivers that being tired behind the wheel not only makes them a danger to themselves but a danger to everyone on the roads.

Central to the campaign is a confronting new television ad showing a serious crash caused by a tired driver crashing into another car with a mother and her young daughter.

"We know most road accidents are preventable and that's why we're

urging Victorians to make sure they've had a good night's sleep before they get behind the wheel, because it could save someone's life," said the Minister for Roads and Road Safety, Melissa Horne.

Tired drivers contribute 16-20 per cent of fatal crashes on Victorian roads each year while accounting for approximately 25 per cent of road trauma injuries at The Alfred and Royal Melbourne hospitals.

"Lack of sleep can dramatically affect our ability to drive safely and this campaign will educate Victorians around the risks associated with driving tired and promote how much sleep you need before you are safe to drive," said TAC CEO, Tracey Slatter.

"We know that

Victorians identify driving while tired as risky but we are still seeing too many tragedies as a result of being drowsy on the roads - our message is to rest up and get more than five hours sleep before driving."

The campaign is backed by research by Monash University and the TAC which found participants in an impaired driving assessment track trial were four times more likely to crash if they had only 4-5 hours' sleep.

A second study found most respondents understood the risks of driving while tired and could identify the signs and symptoms, while young men reported a greater risk of falling asleep at the wheel.

The campaign comes as the Victorian road toll reaches 138 people so far.

Awards: Mug and Sportspower - Maisie Pilli, Bottom Pub - Dara Patricks, Pickled Parrot - Ella Twigg.

B Grade: The girls got off to a strong start and had some beautiful passages of play. Unfortunately, we could not hold our lead and ended up losing my two goals. Laura Lee goals were on this week and the girls fed her beautifully.

Awards: Mug - Sarah Shoard, Bottom Pub - Sarah Lebner, Pickled Parrot - Britt James.

A Grade: We took on Bullioh with high spirits, but unfortunately we didn't come home with a win. Our first quarter was very strong and the girls held their ground with strong hands and quick smart passes.

Our defence stepped up again this week with quick thinking and lots of intercepts, Em Lat, Emma R and Becky B all ensured their opponents would have to work very hard to gain possession. Izzy G and Bec E were in the midcourt and had some really good drives and quick feeding into the ring.

Our shooters, Amy and Tahnia, had great games with some excellent goals, as well as working together in the ring on some strong defenders.

I'm super proud of the girls efforts on Saturday as they continue to improve each week and do everything, I ask of them - great work girls!

Fish friends improve local waterways

Autumn plantings have taken place along the Nariel Creek over the past three years.

The North East CMA has acknowledged the contribution dedicated volunteers from the Department of Energy, Environment and Climate Action, Australian Trout Foundation Inc, Victorian Fisheries Authority, Alpine Fly Fishers Inc and #wagarattaflyfishingclub

who contributed their time and effort during the recent Trees for Trout event.

These plantings are held each autumn and assist in bushfire recovery, bank stabilisation and improved water quality for us all.

This year, the collective action in the Upper

Murray by volunteers from around the state has led to the planting of 3,200 trees along the Nariel and Thowgla Creeks over four days.

This is a significant achievement that will benefit the environment and aquatic ecosystems for years to come.

Big bombs win charity day

A good field of 28 golfers competed in the annual Welaregang ambrose charity event on Sunday, continuing the club's long support of Legacy.

After a chilly start, some players warmed up quickly, namely Steve Irwin parking his first shot against the string to take care of that prize and Fraser Stout belting his first drive just short of the green on the 336m par four 2nd hole to claim the longest drive of the day.

Cheryl Smedley won the ladies long drive while Legacy organiser Mick

Winners (l to r) Fraser Stout, Shane Bannon and Bill Bond with a number of the Legacy crew.

O'Callaghan was nearest the pin on hole three with his last shot of the day and Paul Land hit a great shot onto the 9th green.

The conditions augured well for some good scores with 62½ nett from Geoff Whitbread, Greg Kent and Ross Allen only enough for third. Darren Land brought sons Josh and Jayden to "carry" him and that they did, to a fine 61½ for second.

However, Bill Bond and Shane Bannon made the most of Fraser Stout's big hitting to card an

impressive 67 off the stick for a winning score of 59.4 to win the day.

The Legacy crew had the sausage sizzle running hot keeping the groups well fed on their way past the clubhouse and then the usual Welaregang afternoon tea spread was enjoyed during the presentations.

Football

U9s: The team had a strong win, leading from the start against an improving Tumba with Riley Bennetts and Cooper Goodluck kicking their first goals in football. Best players were Miller Galbraith, Billy Jarvis, Ollie Paton, Kelly Pierce, Jack Porter and Ryan Turnbull.

U12s: The team had a close win after being behind going into the last quarter. It was tough for the team as we had to supply Tumba with players every quarter and it was hard to find our mojo. Rider Pierce and Connor Wray both had stand out games. Other best were Pipa Faithful, Harry McVean, Jodie Pierce and Mitch McInnes. Special mention to Beatrix Nugent who had a great game and has been improving every week.

Seniors: We had a goal to start the game off with a bang, We haven't done that all year.

The boys down back have stepped up yet again and it was very hard for Tumba to score all game. Mitch has lead from the start as usual and taken the midfield underneath his wing and it was a very dominating performance in the ruck and midfield. We are building each week and I believe we can all see the potential we have and can't wait to show it.

Netball

A Grade: it was a great win by the girls this week. We came out with one of our best first quarters this season and stayed consistent throughout the whole game. We worked hard to achieve our goals each quarter and kept the pressure on in defence all game.

Sophie Greenhill showed her commitment to herself and the team with her increase in endurance and movement around the D with Rach improving every week. Lil had the chance to pop some goals up again this week and showed the high skill we have coming up through the grades. The girls worked patiently through the midcourt with Charlotte Star putting the pressure on her WA all game. Mal and Kerstin were strong again this week, utilising communication and footwork to get tips on every ball. Cannot wait to watch these girls improve over the coming weeks as finals come closer.

Awards: Charlotte Star, Mal Nankervis, Sophie Greenhill.

B Grade: An absolute nailbiter this week and our girls fought hard until the

end, coming away with a three-goal win. Every week they continue to impress me with their grit and determination, which is exactly what we needed against Tumarumba.

Pip Brown proved her strength in the ring, with Lil Fair's consistent ability to be agile in attacking and defensive down the court. Our mid court girls showed patience and control, even under high pressure and Hebe starred in her first game for the season. Courtney Simpson was a star in defence, getting tips on everything and always chasing those one-percenters. While it is great to have some tough competition, our girls are putting more trust in each other every week, which is showing in our results.

Awards: Courtney Simpson, Bella Mckimmie, Lilliana Fair.

U11s: After their first loss, the girls came back with the fire in their bellies, grit on their faces and the determination to do whatever it takes - my girls were back!

We sawn a few girls step up into different positions and boy did they stand out. In this age group, working on skill and abilities is always a priority, though a strong focus recently has been teamwork and respect for each other. This was evident with the older girls really allowing our little tackers to get their hands on the ball and shine in their own right.

This in turn, resulted in smiles all over the court while they were working hard to 'do the do'

Stand out mentions this week were absolutely Trixie and Amelia. I'm not sure what they had for breakfast but they both found new and strong position capabilities.

I must also mention our little Ruby, coming away with her first ever game goal!

I needed awards for them all this week but they went to - Canteen (sponsor, Melderg P/L) - Trixie Nugent; Top of Town Takeaway - Amelia Bird; Players' Player (Gril'd voucher) Amelia Bird; Monumental (first game goal) Ruby McVean and Katie (best drives).

U11s: All the girls played well and were getting lots of intercepts and had many opportunities to score a goal. The girls playing in defence worked extremely hard and did an amazing job. The transition from defence to attacking, was very impressive and we managed to bring the ball down the court well.

Despite the score, the girls never dropped their head and were all having lots of fun.

Awards: Ella Lucas, Naomi Kemp, Myla Tight.

U15s: It was a fresh morning in Bullioh and the girls took a little bit to warm up.

It took the first quarter to find their rhythm and then the girls were able to move the ball down the court and convert some goals. Defence worked hard delaying the attacking end.

We are able to bounce back in the fourth quarter and with beautiful plays down the court we were able to hold the ball in our half for most of the quarter. Great work by all to keep their heads throughout the entire game.

Awards: Sportspower - Isabella, CUC-Kyella - Bailey-Spicer, Cafe Corryong Brew - Miranda Musgrove.

D Grade: Our girls held strong as they worked to the very end with a nailbiter of a game.

Our fantastic new recruit Allison utilised the space in the ring with young girls Mabel, Caylin and Amy rotating through goals. It is always a joy watching Claire and Yolande fight hard for the ball and applying pressure. Rachel drew the short straw as a player placed in many different positions, to work the ring both defensively and attacking. There was not much stopping our defence trio with Raegan, Sarah and Renee constantly tapping and intercepting the ball from Bullioh's play. We were very impressed by all the girl's ability to give it 100% effort, non-stop.

Awards: Best on Court Mug & Sportspower - Raegan Bailey Spicer, Bottom Pub - Yolande Szery, Pickled Parrot - Claire Pardon.

C Grade: It was a disappointing loss for our girls but an awesome match nonetheless.

We lost one of our amazing team members, Eliza Chique, to an injury. We had two Twigg sisters, Ella and Amy, playing this week. It was nice to have their shooting and midcourt skill working the court.

Dara Patricks was a gun in defence this week, pulling in plenty rebounds which was matched by her sister, Maisie Pilli, who was on fire and worked the defensive circle really well.

Brenda and Shei in attack, worked hard to get around a tough Bullioh defence.

Bec Stockdale and Kristie Tyrell again held the midcourt strongly, making it difficult for their opponents to get around.

Pack leaders kick clear

After a close shave against Bullioh the previous week, Cudgewa got back into stride with a workman-like 82-point win over Tumbarumba on Saturday.

Leading goalkicker, Guy Telford, was back in form with six majors while Adam Prior and Brayden Carey chimed in with three apiece.

The attack had plenty of the Sherrin served up to them on a platter by midfield guns Craig Lieschke and Cam McNeill while the Roos had no answer to the Blues defensive pressure which restricted them to four goals for the match.

Bullioh came out firing on all cylinders against Corryong and virtually put the game beyond reach with a blistering seven-goal first term.

The onslaught continued for the next two quarters as the Dogs'

forward trio of Ash Murray, Jye Hodgkin and Jesse Wellington dominated to boot 18 of their 25 goals.

Corryong saved its best effort for the last stanza and with Thomas and Evan Nicholas working hard around the stoppages, the Dees scored three of their five match goals.
