Corryong College presented its own version of Lewis Carroll's Alice in Wonderland to appreciative audiences from June 19th to 21st, infusing contemporary elements into the timeless story.

More than 100 students developed their acting, singing, musical and technical skills throughout Semester 1 culminating in a 'wonderful wonderland' of characters and musical experiences. The stunning set and props, as well as an array of colourful costumes created by students and volunteers added to the show's vibrance and wowed audiences.

With a full house each performance, audience members from near and far raved about the amazing development of performing arts skills in our small town. Students and staff were encouraged with words like "I've never seen a school production presented to this quality" and "This is just as good as professional productions I've seen".

The production was a shining example of the talent, creativity, and hard work of Corryong College students and staff.

Winter Wonderland

Tilley: The elephant in the room has antlers

With deer numbers currently at a record high, there is a growing threat to people's lives, according to Member for Benambra, Bill Tilley.

"Twice in recent weeks, cars have been written off after hitting deer on the roads around Wodonga," he said.

"Those travelling the roads in the Upper Murray know only too well the damage and danger they pose."

Mr Tilley raised the matter in the Victorian Parliament last week ahead of the \$18 million, four-year deer control funding program lapsing this Sunday, telling the Legislative Assembly that "the elephant in the room has antlers."

"This is now a deer plague that threatens people's lives," he said.

"I'm told the continued funding may come from another bucket of

money but my fear is this government and its upper house transactional charlatan, aka the Animal Justice Party, will conspire to save Bambi.

"This funding needs to be transparent.

"It must be maintained, and deer need to be controlled."

Deer numbers are widely reported at about 500,000 across Victoria.

Mr Tilley said the past program relied heavily on partnerships but that its future is unknown.

"On one hand we have the East Victorian Deer Control Plan that runs to 2028 and relies on professional and recreational shooters and on the other, we have found that the money for the deer control program lapses on June 30," he

said. "We have people in our community, experts in the field, who can carry out major control work in confined spaces, public places using drones and thermal imaging.

"On the urban fringe of Melbourne, the councils take an active role, perhaps it's time our councils got involved," Mr Tilley concluded.

Partnership benefits school

The Corryong Pre-school Parents Committee has publicly thanked the Corryong Opportunity Shop for its recent donation of \$5000.

"These funds will be

greatly appreciated and go towards learning and play resources for the students," said Bridie Sheather, Parents Committee President.

"Thanks to donations

like this and the hard work of the committee the Corryong three-year-old and four-year-old kindergarten program continues to be a sought after program for locals.

"Craft, outdoor sensory activity's, equipment such as rubber matting and climbing frames, learning resources and more is all do-able through contributions like this."

In related news, the Op Shop is desperately seeking volunteers to help run its day-to-day operations.

"The kindergarten is now working hard to rally parents to put their hand up and help out," Bridie said.

Letters to the Editor:-

Questions raised over new bin service

The Corryong and Surrounds Residents and Ratepayers Group held its first meeting on Wednesday June 19.

One of the key issues shared was the FOGO (Food Organics Garden Organics) bins that have recently been distributed throughout our area. There has been some information on Facebook and some people have received some information in the mail but many felt they'd like to know more.

Here are some of the questions that the group is curious to know more about:-

1. What are FOGO bins and what is the process from collection to composted soil?
2. How can I be sure I'm putting the right things in the FOGO bin, as well as the other two bins?
3. What are the benefits of the FOGO system?
4. How is the 'Black Gold' (compost soil) used?
5. How do we access that soil for local gardens, parks and schools and will it be free?
6. How do townspeople who do not want the FOGO bin say 'no' and get a rebate?
7. What are the green liner bags made of?
8. How do we access more green liner bags in

future and is there a cost?
9. How do businesses access FOGO bins and are there larger compost bins for them?

10. Why do the new bin maps not include some roads such as Back Cudgewa Road and Sugarloaf Road?

11. As there are many keen gardeners in the shire, why are gardeners being asked to use FOGO bins when they're composting already?

12. Communication - why didn't Towong Shire take the opportunity to discuss this important project before implementation?

It seems like a great opportunity to make the Corryong environment more sustainable through effective recycling and waste management was not used as well as it could have been.

As luck would have it, one of our group popped into the Shire Office on another matter. They found some excellent brochures

answering most of the questions just waiting for us to collect!

Look for these brochures:-

- Your 3-bin system and kitchen caddy / What goes in the green lidded bin (FOGO bin) / What goes in the Yellow Lidded bin (Recycling bin) / What goes in the Red lidded bin (General waste).

If you've got questions about the Collection Calendar, visit halvewaste.com.au to download your local collection calendar (or peek at what your neighbours are putting out until you get used to it). There is also a wealth of information on the Halve Waste website.

Let us know of questions you'd like to ask your councillors at our next meeting. Better still, come along and join us on July 24th at 12pm at Cafe 3707 .

Corryong CBD Update

Last week we finished tree vault installation in front of the ANZ building. This system is designed to support growth of trees in restricted areas like streetscapes while providing stormwater management and infrastructure safety against tree roots. We also commenced the concrete footpath works as part of stage two and demolition works on the south side of the street – Stage 5 and 6.

This week the footpath concrete preparation and pour will continue as the final element of stage two works, along with watermain property connections. Once these works have been completed the crew will move to the south side of the street and join the crew working from the memorial hall down to Arcade.

To ensure the safety of community members and site workers temporary fences will be installed around work areas.

We thank you for your patience and cooperation as we carry out these essential tasks.

Writer proposed for park honour

The author of the renowned 'Silver Brumby' series of books, Elyne Mitchell, has been nominated to have a park named after her.

Wodonga Council is seeking feedback on a proposal for the Elyne Mitchell Park to be established in the Kinchington Estate on the southern outskirts of the city.

Elyne Chauvel moved from Melbourne to the Upper Murray after marrying Tom Mitchell in 1935, owner of Towong Station and future Benambra MP and Attorney-General for Victoria.

With her husband being away for extended periods including a period as a prisoner-of-war in Changi Prison during WWII, Elyne helped manage the

property and look after their children.

During the war, she was part of a group of nationalist writers who wrote poetry and prose centred on the Australian landscape. In this period, she wrote *Australia's Alps* (Sydney: Angus & Robertson, 1942) and *Speak to the Earth* (Sydney: Angus & Robertson, 1945). In all, she is the author of 72 works of poetry, autobiography and children's and adult fiction.

However, Elyne is best known for the *Silver Brumby* series of children's books, the first of which she wrote for her daughter Indi, out of concern about the lack of Australian content in books.

She was also an avid bushwalker, conservation-

ist and competitive skier, winning the Canadian downhill skiing championship in 1938.

She was awarded the Order of Australia in 1990 for her services to literature and the Corryong library was named after her in 2002.

Wodonga councillor, Libby Hall, told the *Border Mail* that Elyne was worthy of being recognised by having a park named in her honour.

"I think Elyne Mitchell is a well deserving person for the park which will be in the Leneva estate," she said.

Thomas Mitchell has already been recognised in Wodonga after the Tallangatta Road was re-named for him in 1979 and the Thomas Mitchell reserve at Shelley also honours him.

Elyne Mitchell's daughter, Honor, with an exhibition in the library named after her.

TEE TO GREEN

Netball

11 & Unders: There were a number of girls that were pretty tired after being in the school production the night before but what an exciting game to watch!

All of the girls did an amazing job and played really well as a team. There were lots of intercepts and great passes and they managed to bring

the ball down court a lot easier than the last game against Cudgewa. I'm really proud at the way they all played, they have all improved so much!

Awards: Mia Miller, Alina Hyatt, Delaney Kelleher.

Under 15s: What a start to our game! The girls came out firing scoring the first two goals of the match and putting Cudgewa on the back foot. It was so exciting to watch. The team worked brilliantly together defending well, getting intercepts, delaying play and forcing the opposition to really think about their passes.

The girls kept the pressure on the whole game and even though we didn't come away with the win, the team has shown exceptional improvement throughout the season and Brenda and Kerrie are so proud of how far they have come. What a fabulous game on the weekend, well done girls.

Awards: CUC - Aurora Bannon, Cafe Corryong Brew - Leah Twigg, Sports-power - Taylah Hoffman.

D Grade: An intense game to start the day for our ladies as Cudgewa came out just as hard as we did. Once again, throwing our girls in the deep end, mixing up positions and grouping different girls together was the plan.

We took a little bit to lift but intense pressure came in defence from Sarah and Amy, both locking onto their players, making it hard for the young girls to run. Raegan, Claire and Chloe all worked hard to apply defensive pressure and offered strong leads when we had possession.

The coaches were very proud of Yolande (known to us as Yo), as she worked tirelessly in WA with strong leads, taking on improvements learnt

at training. We were also very impressed by the efforts of our shooters with Allison, Mabel and Rachel getting in some great shots and applying defensive pressure when needed. The girls worked very well as a team and took home the win by six goals.

Awards: Best on Court Mug & Sportspower - Yolande Szery, Top of Town Takeaway - Mabel Edwards, Bottom Pub - Allison Watson.

C Grade: It was a great game against Cudgewa, one of the best from our ladies so far.

All players showed non-stop intensity from start until finish, only losing by five goals.

We had two wonderful ring-ins, Bridgette Fox and Emma Tadday, who were a dream to watch. They ran in mid court and goals, intercepting multiple balls and creating smooth plays. Unfortunately we lost Bridgette in the last quarter to a knee injury but their happy energy and game play earned them a joint Mug Best on Award this week.

Kristy Tyrell had a fantastic game in WA, bringing the ball to the goalers magnificently and her strong will against tough opponents makes for great watching. She earned the Bottom Pub award this week.

Bridie Sheather did an amazing job in WD, again making it tough for her opponent to get past and intercepting many balls for some great turnovers. Her determination throughout the game was nice to see. She earned this week's Top of Town Takeaway award.

The whole team moved much better on the court and with even more improvements I know we can win more games.

B Grade: A tough game for our girls that ended with us going down by 13.

We didn't have the start we wanted but continued to improve throughout the game but unfortunately it wasn't enough. Full credit to the girls for keeping on fighting and taking on feedback.

The 'best on' mug this week went to Jess Martin who had a very strong presence in our defensive end and applied constant pressure to her player.

The Bottom Pub award went to Racheal Ralph in being her third game with the team. Racheal shows strong leadership on and off the court with constant talk and direction.

The Pickled Parrot award went to Sophie Hewatt, who just kept on running through the mid-court and never gave up being a very reliable player.

A Grade: It was a great game of netball against Cudgewa but unfortunately, we couldn't come home with a win despite the girls' best efforts. The chatter and positivity is greatly improving since round one, as well as the defensive and attacking pressure down the court.

The 'best on' mug went to Becky who had an amazing game with her ability to read the play and get some great intercepts. She shut down her player and gave it her best shot.

The Bottom Pub award went to Emma who had another great game in defence, taking what she learnt at training and putting it into play against her opposition.

The Pickled Parrot award went to Jas who had a run in centre after not playing there since round one. Her long arms were a great asset as well as her strong drives and feeding into the shooters.

Overall a good game with plenty to take out of it so well done girls.

In Round 1 of the prestigious Phil Cribb trophy, Tony Jarvis posted his first win for some time, carding 34 stableford points, four clear of runner-up Bill Bond.

In the McGrath Cup matchplay, Rob Cox was leading Dixie Coutts by three holes at the halfway point of their match, while Ken Lebner succumbed to Bill Bond on the 17th hole of their match.

This Sunday players will compete for another sought after prize, the President's Trophy in the 18 hole stableford event, hit-off at 11 am.

The defensive pressure down the court continues to be our biggest strength, forcing turnovers all game. Darty and Courtney worked tirelessly for every rebound, with Jas and Fleur equally as determined for every loose ball. The McKimmie sisters are unstoppable together through the midcourt, with Zoe stepping up from C grade. Young guns Marlie and Gemma put on the B grade hats again and proved they're continuing to develop in skill and confidence!

Sean Swinnerton shows Corryong veteran, Evan Nicholas, a clean pair of heels.

Awards: Bella McKimmie, Courtney Simpson, and Sarah Albert.

C Grade: It was a great hard-fought game by the team who never gave up and held the lead to win by five goals.

The girls came off some very productive training and implemented that in game play. The fire in the belly was definitely burning and great passages of play resulted in conversion.

Gemma McNamara was unstoppable and the sheer determination is what wins games. It was also a stella performance from Zoe McKimmie in centre.

Awards: Brie Jones,

Gemma McNamara, Zoe McKimmie.

Under 15s: The girls had a very convincing win over Corryong.

The opposition started very hot and the girls had to settle their game and play good netball. Once that was achieved they worked the ball strongly around court with great conversion. All girls played very well and had fun in the last quarter, mixing up positions.

Awards: Charlotte Klippel, Marlie McLean, Taylor Turnbull.

Under 11s: The game was a bit scattered and we failed to gain front

position often and many passes were not on but the girls continued to work and their determination shone.

A smile is always welcomed on court and they just kept having fun - I could not have asked much more from the team. Kudos to them for standing tall and giving it every little bit they had, particularly those who were in the school production.

Awards: Canteen (sponsor, Melderg P/I) - Indi Stephens, Top of Town Takeaway- Katie Pierce, Players Player - Grill'd voucher - Pippa Faithfull.

Seniors: We came out with a new look team and people playing in different positions to what they normally would play in. The midfield was very dominant thanks to the ruck work of Ash and Pumba. We welcomed back Nick Brockley and he hit the ground running and snagged eight goals. It was a really good team effort and we came away with the four points and a good percentage boost.

Under 9s: The team continued its winning way against an improving Corryong. The standard of

play keeps getting better and better with spectators loving the team's terrier-like tenacity.

Best players were Billy Jarvis, Ryan Turnbull, Miller Galbraith, Axel Jackson, Hunter Bailey and Diesel Jackson. A special mention to Dustin Bailey who had a breakout game and showed he can mix it with the best.

Under 12s: The team had its first loss for the season to a more desperate Corryong after being jumped from the start but we fought back with scores level at both half and three-quarter time. It was anyone's game and we had our chances to win. The team will learn from this defeat.

Best players were Rider Pierce, Jodie Pierce, Connor Wray, Harry McVean, Pipa Faithful, Mitch McInnes, Jack Turnbull and Tom Turnbull.

Netball

A Grade: Another great game this week, taking home a 21 goal win.

Each week everyone is consistent and committed,

Corryong's Mitch Lauritzen lets the ball slip through to Jack Ross.

and we are coming in hot to finals. Soph and Rach moved beautifully together in the ring this week and are a strong asset in attack.

Our patience with the ball against Corryong's defence was evident all game, utilising Starry as a reset option and creating some perfect feeding into the ring from Jo and Tay. Courtney Simpson stepped up for her first A grade game this year and did not disappoint with

her hunger for the ball. A switch up in defence showed our versatility as a team, allowing us to get the lead early in the first half.

Awards: Jo Beirs, Sophie Greenhill and Rachel Ciccone.

B Grade: The girls took this week's challenge and ran with it. We started strongly and stayed consistent in our intensity to take home another win against Corryong.

No interest will be applied to overdue accounts until further notice.

PAYMENT AND PAYMENT ASSISTANCE

Flexible payment plans are available for customers. Information relating to tariffs and charges or flexible payment plans may be obtained by telephoning 1300 361 633 during business hours.

THE BILLING CYCLE

Water meters will be read at approximately three monthly intervals and will trigger the issue of an account. Accounts will include Usage Charges for the period plus Service Charges for water and sewerage, trade waste and Fire Service Charges for private fire services calculated at the respective daily charges.

MAKING OF TARIFFS AND CHARGES FOR WATER AND SEWERAGE SERVICES

The foregoing Tariffs and Charges are made and levied upon the owners or occupiers of serviced properties for the period commencing 1 July 2024 and ending 30 June 2025.

CONCESSIONS

There is an annual State Government concession of 50% of the total water and sewerage bill (up to a maximum of \$363.00 per year from 1 July 2024, the cap for users of one service is \$181.50) that applies to eligible pensioners and Health Care Card holders.

TENANTS

Tenants living in separately metered properties can pay for water consumption. However, they do not pay any service fees. If you are a residential tenant, please check your account for details.

Roos spring a surprise

The inclusion of former Hawthorn premiership player, Matt Suckling, was the catalyst for Tumbarumba to pull off the boiler of the year when the Roos outlasted second-placed Bullioh by a goal on Saturday, to record their third win of the season.

Although the ex-AFL star played mainly at half forward, his 20 plus possessions and class set up many attacking opportunities for the Roos and he also booted two majors himself.

Bullioh led by 12 points at quarter time but the expected surge from the Dogs was absent as the Roos five-goal second term saw them leading at the main break.

The second half was an arm wrestle with Suckling creating play and Reece Hulm capitalising in front of the big sticks with four goals to keep the Roos' noses in front.

With two minutes left on the clock, Rhys Preston capped a fine game with his second major for the match 30 metres out from the boundary, to seal the ground-breaking victory, after the Roos were beaten by 87 and 93 points in their previous two encounters with the Dogs.

The Roos defence was also on song and restricted Bullioh's usually versatile attack to three goalkickers, with Ash Murray leading the way with six.

Ladder leader Cudgewa stayed on track for another undefeated season with a massive 122-point win over an under-powered Corryong.

The Blues were without star full forward Adam Prior but the selection of Nick Brockley for his first match of the season paid immediate dividends when he kicked eight goals to match the haul of fellow forward Guy Telford, who has shot clear by 15 goals for the *Corryong Courier* goalkicking award.

The Blues dominated the clearances with a rejuvenated Ash Greenhill and Lachie Whiteley giving the likes of of captain Mitch Pynappels, Jack Gilbee and Craig Lieschke first dibs on the Sherrin to pinpoint their passes to their potent attack.

Corryong was outmatched around the ground but rallied in the third quarter as Sam Irwin, Jake Robson and Mitch Lauritzen stepped up to win possessions and the wily Pat Riley finished off their good work with three goals.

However, the Blues put the foot down in the last term to streak away with the percentage-boosting victory.
